

Disclaimer: The MoDOT Construction Manual is provided for use by persons outside of the Missouri Department of Transportation as an informational document only. The Missouri Department of Transportation, the State of Missouri, nor its officers or employees, by making this document available for information to persons outside MoDOT, undertake no duty or responsibility to any person or entity who chooses to use the document. It is not intended to be a standard and should not substitute for the exercise of good engineering judgment by engineers nor the determination by contractors of the appropriate manner and method of construction on projects under their control. While effort is made to keep this document current, it is the user's obligation to make sure that appropriate practices are used in each specific instance. This manual is not a contract document. It does not explain, supplement, or amend any contract document. Reliance upon this document by an entity outside of MoDOT is not invited, nor intended and such reliance is at the risk of such third parties.
